Online MPA or MPH degrees

Posted by dgaud1 - 2012/09/01 17:43

Hi,
I am looking to enroll in an online masters degree program in Public Administration or a masters in Public Health program. Are there any online colleges that offer affordable, and reputable programs that arenot diploma mills?

Thank you
Dora

Hi Dora,

There are quite a few reputable, accredited, and affordable online MPH (masters in public health) and online MPA degrees.

To begin your search, consult GetEducated's ranking lists of the best affordable online masters degrees (regionally accredited):

Best Affordable Masters: Online MPA

To find low cost online MPH try our list of the best affordable online MPH degrees.

Good Luck!
