Florida Community Colleges Seek Online Adjuncts Teachers

Posted by VickyPhillips - 2011/04/28 08:46

_____

Florida Community Colleges consortium is actively seeking potential new adjunct professors to teach online courses.

Florida Community Colleges are regionally accredited by SACS (Southern Association of Colleges and Schools). Adjunct online faculty need a Master's degree with at least 18 graduate hours in the discipline they are teaching. Faculty without a Masters and/or with fewer than 18 hours may teach only those courses that don't transfer to 4-year institutions.
