Southern New Hampshire University is accepting applications for online adjunct faculty

Posted by dhandlos - 2011/10/27 06:51

Everyone,

Southern New Hampshire University is now accepting applications for adjunct instructors, both for on-site and online courses: http://www.snhu.edu/822.asp

SNHU is a regionally accredited university, and to become an instructor a masters degree (or higher) is required. Training is provided for instructors on how to conduct online classes. The full FAQ is here: http://www.snhu.edu/8421.asp

Great Lead.

Thanks for the tip David!

We are having Ryan add this job opening to our free job board for online education; http://www.geteducated.com/online-teaching-jobs/positions-available

keep us posted or email ryan@geteducated.com if you find new opportunities for distance learning jobs.

Vicky
