Cheating Plagiarism and Misconduct Online Schools

Posted by VickyPhillips - 2011/11/29 12:03

_____

A recent undercover investigation by the GOA discovered that for-profit online schools often allow plagiarism or poor student course performance to go unchecked.

Does your college have good policies in place to deal with plagiarism and cheating?

Have you, as an instructor, ever been asked to look the other way when it comes to poor student performance?
