about the European continental university Dover Delaware

Posted by amouda - 2012/12/21 12:09

_____

hi Vicky how are you, i need some information about a university called European continental university, they operate in the state of Delaware and they have the main office in UK England, by the way they claim accreditation from AAHEA. American Association for higher education and accreditation. what's about AAHEA, is it recognize by the US department of education or no. thanks a lot and i wish i hear from you.

_____

Hi Amouda,

The AAHEA is -NOT- a recognized accreditor of colleges in the USA. Neither the US Dept of Education nor CHEA, http://www.chea.org, recognize any such agency for degree accreditation for US citizens.

All the best
Vicky
