Keep it up!!!!!!!!!get educated..

Posted by zaideesh - 2011/06/14 11:52

_____

my sincerest thanks to the website and its content developers for putting efforts to make aspirants like us educated about the institutions prevailing off-site. Giving hard facts about the institutions make the aspirats to take a solid decision....i am benifited thanks to GET EDUCATED...

_____

That is very nice of you to say, Zaideesh.
Thank you kindly.
We try very hard to help people get educated so they can make intelligent choices.
There are SO many online degrees these days -- somewhere around 12,000.

Please review any online degree or school in our online learning directory that you have an opinion about so your knowledge can help others get educated too!

Vicky Phillips
Get Educated Founder (and online education nerd)
