# List of 750+ Accredited Online Bachelors

Posted by VickyPhillips - 2011/04/20 13:10

_____

GetEducated's research team has compiled profiles on 750+ screened accredited online bachelor degrees (USA). To find bachelor degree programs just search our online college directory using the SEARCH BY LEVEL button on the home page() . This will return all all 750 options.

The GetEducated directory includes both regionally accredited and nationally accredited colleges including top residential colleges that now offer their degrees online -- like Penn State and Indiana University. Use the FILTERS on the LEFT of each search return to NARROW your choices by SUBJECT [like business OR healthcare. You can aslo set the FILTRERS to see ONLY non-profit schools or only for-profits.

Use the TOP BAR to SORT all the bachelor degrees by COST (the system will rank all the degrees by COST from cheapest to most expensive). You can also uses the TOP BAR to SORT all the degrees you get by STUDENT SATISFACTION grades and by PUBLIC PERCEPTION grades.
