HI MD,

First, review our great online MBA AACSB rankings by cost:

http://www.geteducated.com/online-college-ratings-and-rankings/best-buy-lists/best-buy-online-masters-mba-aacsb

The cost data for this type of mba online is

Average Cost: $36,166

Most Affordable: $8,990 - University of Louisiana Online Monroe

Most Expensive: $135,550 - Duke University Online

At $20,000 you are looking for a below cost option. Out ranking take (above) lists 32 mba degrees online AACSB that meet your $20,000 or under criteria.

Next, look at our great list of online MBA AACSB NO GRE:

http://www.geteducated.com/online-college-ratings-and-rankings/online-degree-selects/aacsb-accredited-online-mbas-that-do-not-require-the-gre-or-gmat

There are 14 options on this list.
If you compare the two you have several options for an AACSB MBA with NO GRE.
The University of Wyoming is one such program.Colorado State MBA is another and so on.
You need to look at these charts.
In the case of NO GRE you'll need to meet the criteria for waiver listed om the tables.

You can also search all 400 online mba programs and THEN ORDER by COST and then hit the FILTER to see only AACSB programs.

This will give you a custom short list to play with.

Good Luck!
